Florida Ministries

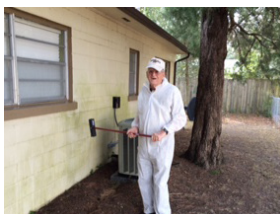

Pastor Harrington

Buford Grove Baptist Church (BGBC)

Hilliard, FL

I had a great time and a good ministry in BGBC. Pastor Harrington is always more than generous and kind to me in every way. I was given many opportunities to serve. I helped out with a funeral while I was there. I worked with Christian Hoyle and Mike Pruitte, both associate pastors at BGBC, setting up the fellowship hall for the funeral and then tearing it down when it was over. I went to the graveside service with Pastor Harrington. There was plenty of electrical work to keep me occupied the rest of the time.

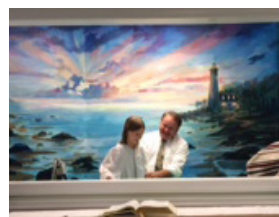

Otis Graham

Central Baptist Church (CBC)

Ft. Walton Beach, FL

I enjoyed my time at CBC with Dr. and Mrs. Quorollo. While I have known the Quorollos for over 25 years, I am becoming more familiar with the members of the church and that has been a blessing. Last year I worked a lot with Jim Blalock and we were able to finish a few projects. This year Jim was having a few medical problems and I worked with Otis Graham most of the time. Both are a joy to work with. Dr. Quorollo and I visited Jim while he was in the hospital.

Pastor Clark Baptizing

Gospel Light Baptist Church (GLBC)

Tallahassee, FL

I started stopping at GLBC about five years ago. It has become a regular stop and I sure appreciate Pastor and Mrs. Irvin Clark. Of course, there was some electrical work to keep me busy but I was also able to draw them up some sketches for a new fellowship hall and Sunday school rooms. I always enjoy their Saturday morning prayer time and afterwards we go out and have breakfast at one of the local restaurants. I was able to teach in the Sunday school hour and enjoyed it very much. I would love to attend their mission's conference, but I was one week early for that.

Amy & Abigail

It wouldn't seem right if I didn't do some electrical work, and I did, but we also accomplished some routine maintenance on the HVAC systems, etc. Otis and I spent a lot of time power washing the buildings and sidewalks.

We even managed time to shampoo the carpets in the old auditorium. I appreciated an open door to the Quorollos home each evening and many other invites out to eat as well. I was able to preach in a Sunday evening service.

A PERSONAL NOTE FROM YOUR BARNABAS

The entire month of February was spent in Florida. My brother Kenny who passed away in 2007 always called me a fair weather Christian. Even with spending most of my time in the South during the winter months, I still have to protect my unit from freezing on occasions. I doubt if I receive any sympathy from my northern friends on this comment. Last year was a rough one in Indiana and it seemed like they had missed the hard winter until February came. While I was in Hilliard, FL I was invited out to Bert and Annette Geiger's

home. Well, the Cracker Barrel has nothing on them, both in decorations and quality of food. HA! I was there on two occasions and really enjoyed the fellowship. I also met Chuck Harris and his wife at BGBC and was able to go out on visitation with them a couple of times. Pastor Clark at GLBC has been in my letters before baptizing and again this year he stirred the waters of baptism (see picture above). I actually fixed a leak in the tank before he performed the ceremony. Dr. and Mrs. Quorollo seemed to be doing well and I really

enjoyed my time with them. While I was at CBC, I made my way over to Pensacola Christian College and was able to visit Missionaries Richard and Catherine Rich who are missionaries to Japan. I was also able to get up with Pastor Danny Adkins daughters, Amy and Abigail. (see picture above) Also while at CBC, Butch and Norma Bailey from my home area dropped in a spent a few days. I was able to take off a day and enjoy some of the sights in the area with them. I will be with Barry McGowin in April.
